

REMARKS

Claims 55-70 have been amended, as suggested by Examiner Yan, to correct the recitation of a "dressing holding device" to a "dressing handling device." The several other informalities noted by Examiner Yan, and his suggested corrections, have been implemented. With respect to claim 60, the phrase "said at least one dressing holding means" has been changed to "said at least one movable dressing holding means." The Examiner's proposed correction is believed to have inadvertently omitted the word "dressing." Examiner Yan's time in reviewing the claims and in suggesting corrective phrasing is appreciated.

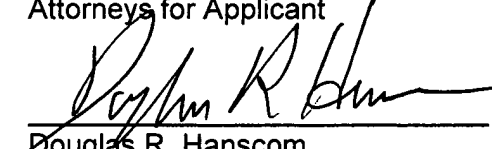

Claims 71-78 have been cancelled from this application. Applicants expressly reserve the right to file one or more divisional patent applications directed to these claims.

Entry of this Amendment, and the issuance of a Notice of Allowance, is respectfully requested.

Respectfully submitted,

Andreas Ewald Heinrich BERNARD et al.
